Re: Unofficial Transcript Guidelines

Dear Parents and Students,

When a high school student has no official records and wishes to transfer to Our Lady of Victory School, there are certain documents that must be submitted before the student can be enrolled. The list is as follows:

- A high school transcript must be developed; this transcript should include the courses completed for each grade level as well as percentage grades for each quarter. The transcript must be signed by the parent/tutor. Please see reverse for a sample transcript.
- A book list for each course completed; please indicate authors on this list.
- A portfolio of sample work is also required. The portfolio must include samples of work from each course completed, either essay type assignments or final exams.

These items must be submitted to OLVS along with the \$75 Review and Consultation Fee, per grade level. The School Administration will review the submitted records and contact you within two weeks. If you choose to enroll with OLVS, the student's grades will be entered into the OLVS transcript system.

Please do not hesitate to contact us if you have any questions.

Sincerely yours in Christ,

Scott A. Jones
Director
