Our Lady of Victory
2020–2021 Catalog
Our homeschool program has successfully educated many young men who went on to become Traditional Catholic priests.
About the Program

Our Lady of Victory School’s Traditional Catholic home study program fosters a collaborative effort towards spiritual and intellectual growth by the anchoring light of Tradition. We endeavor to provide home school parents the attentive and individualized academic support they need in order to pursue confidently and lovingly the mission entrusted to them by the Church: their children’s salvation.

Our Unique Approach

Our committed focus on the Traditional Catholic Faith sets us apart from every other homeschool program. We believe that a Traditional Catholic foundation throughout the curriculum is critical because of the pervasive confusion and lack of education on even the most basic Catholic doctrines in our day. This foundation will give you the peace of mind to pursue your children’s education with confidence and love.

Accreditation

Our school has been accredited by the National Association of Private Catholic and Independent Schools (NAPCIS) since July 17, 2007. NAPCIS reviewed and approved our entire curriculum without any changes, modifications, or exceptions to our course of studies. Our accreditation was most recently renewed in 2018.

Without confidence and love, there can be no true education.
St. John Bosco

Full Enrollment Program

The Full Enrollment Program is perfect for families who want accountability in their education journey and the reassurance of knowing that their children’s official records are being maintained. We highly recommend Full Enrollment for high school students, especially for reasons of college enrollment and future employment opportunities.

This option includes tuition, lesson plans, and quarter tests, which cover a thirty-six (36) week school year. The assigned books and necessary answer keys are also available through the school. Selections of the student’s work are sent to the school where it is reviewed by one of our tutors who keeps the student’s records and issues quarterly progress reports and a final report card. Diplomas are issued for 8th and 12th grade graduates with a graduation ceremony in June. Fully enrolled students will also have access to official transcripts.

Tuition

Full Enrollment
Kindergarten through 6th grade: $300 per student.
7th through 12th grade: $350 per student.
Student ID Cards (optional): $8 each.

Registration
New student: $25 per student.
Returning student: $10 per student.
International student (new and returning): $25 per student.

A family registering more than one child for Full Enrollment will be billed the full tuition amount for the first child, and then a 10% reduction of the tuition fee will be given for each additional student. The cost of books, which is not included in the tuition, will range from $150 to $450 per grade level.

We prefer that all costs be paid in advance. However, we also realize that the financial outlay may be a hardship for growing families. In such cases, we can arrange a monthly payment plan for tuition, but we still require payment for books, registration, and shipping at the time of enrollment.
Graduation Requirements

The graduation requirements are specified only for high school students and necessitate that a student have 22 credits in order to receive a diploma. One credit is given per successfully completed subject: Religion, 4 years; Literature, 4 years; English Grammar, 4 years; Mathematics, 3 years; US History, 1 year; World History, 2 years; Science, 3 years; and Civics, 1 year.

Exceptions to these requirements will be made only on a case-by-case basis with the approval of the director of OLVS and may include those students who transfer into our program after the 9th grade.

Elective Courses

Our high school curriculum offers a number of elective courses, including Latin, Philosophy, and Physics. A comparable elective course may be substituted for one of the six core subjects (no substitutions for religion). There is no additional charge for this substitution although the cost for textbooks may vary. However, if the elective is in addition to the six core classes, a fee of $25.00 will be charged for the lesson plans and $50.00 for tutoring services in addition to the textbook fees.

Independent Study Program

Independent Study is ideal for families who want to use OLVS curriculum but are looking for a more flexible and cost-efficient option. This option includes lesson plans, quarter tests, and assigned books, but none of the student’s work or assignments will be sent to our tutors. The cost is $85 for each set of lesson plans in addition to the cost of books.

As the OLVS tutors do not review the student’s work in this option, the parent will be responsible for correcting all assignments, issuing all grades, and keeping all records. Since no transcripts will be available from OLVS with this option, we strongly discourage the Independent Study Program for students in high school.

In the past we have been asked to accept a high school student who has been using our Independent Study Program but has not been Fully Enrolled. In such a case, we have no method to assess precisely that the student has studied and passed the various tests at our standards. Therefore, if your high school student does not have official transcripts from another high school program, your student will not be able to receive a diploma from OLVS. Please call us for any further clarification.

Books Only

We stock over 600 educational titles to enable you to “pick and choose” whatever books you might need. You are not required to be part of our program to buy books from us.

Other Enrollment Options

Single Course Enrollment Program

This option is available for religion grades K–12th and all subjects 7th–12th. Many students will enroll in a single course to make up high school credits.

Full Year, Single Course

Kindergarten through 6th grade
- Registration: $25 per student.
- Tuition and Lesson Plan: $75

7th through 12th grade
- Registration: $25 per student.
- Tuition and Lesson Plan: $100
**What We Offer**

**Support**
You may contact the school office with any questions regarding the books and curriculum. Enrolled students can also receive academic support through the school office. If necessary we can put the student in touch with their OLVS tutor.

**Grading**
Grading will be completed by both the parent and the OLVS tutor as indicated on the lesson plans. When the parent is required to grade an assignment, the grade must be recorded on the lesson plan, but you may still need to submit it for tutor review. Other assignments are graded only by the OLVS tutor.

**Textbooks**
You will find a great majority of the textbooks that we offer through our publishing arm, Lepanto Press, are unique since many are reprints from original texts formerly used in Catholic schools.

**School Schedule**

**Calendar**
The school year is thirty-six (36) weeks and usually begins in late August or early September. You will receive a copy of a suggested school calendar with your shipment of textbooks and lesson plans. If you withdraw your child from another school during the school year, you are welcome to start home schooling with us at any time. You may also continue your school year into the summer months.

**Graduation**
OLVS hosts the annual commencement exercises in North Idaho. All 8th and 12th grade graduates are invited to attend.

**College Acceptance**
We have seen many of our graduates pursue a college education. The following are some colleges and universities which have accepted our graduates:

Returns and Refunds

Pricing and Tax Prices do not include sales tax or shipping charges and are subject to change. For the most current pricing, please visit www.olvs.org.

Return and Refund Policy Customers may return books as new within 30 days of purchase date. All Lesson Plan sales are final. They cannot be returned for credit or a refund. A 10% restocking fee will be charged for returns. Items will also be evaluated upon return to make sure that they can still be sold in new condition. Please package the return items carefully so that they will not be damaged in transit. Otherwise, a restocking fee of up to 50% will be applied. Please do not return the following items as no credit can be given at any time: 1) all CDs and DVDs (unless still in cellophane wrap); 2) all Lesson Plans; 3) books not purchased from Our Lady of Victory.

Incorrect Orders Our Lady of Victory School takes its customers’ satisfaction seriously. If you receive a book in error, please contact the office immediately. We will make arrangements to retrieve the mistaken book and ship the correct one at no extra cost to you.

Donating Books If you no longer need certain books, and would like to donate them for families experiencing financial difficulties, please call the office and ask for the book return department. Customers are responsible for return postage costs. These terms and conditions are subject to change at any time without prior notice.
